PRIMARY JOB FUNCTIONS INCLUDE:

To lead the development of a health education program focusing on Tobacco for Seattle's School Based Health Centers (SBHC).

- Collaborate with SBHC site staff and Public Health to assess needs and to develop tobacco-focused intervention plans for each SBHC site for health education to be implemented during the 2003-2004 school year.
- Collaborate with SBHC staff to improve school-wide outreach, integration and programming efforts around tobacco prevention/cessation as well as other health related topics, including: nutrition, exercise, drug/alcohol use, violence and high risk behaviors.
- Help develop regionalized approach to peer education programming in Seattle. Collaborate with 3 high schools to provide tobacco focussed peer education and training.
- Develop and coordinate community and agency partnerships and community events.
- Identify, Develop and promote educational materials and information that are accurate, culturally appropriate and educationally sound.
- Assist in the exploration of funding opportunities for project sustainability.

QUALIFICATIONS:

- Demonstrated skills in community health and ability to work with diverse communities;
- Demonstrated skills working with adolescents on health education topic and peer education models of delivery;
- Demonstrated skills in program planning, implementation and evaluation;
- Demonstrated skills in planning and conducting training for professional staff;
- Demonstrated skills in making group presentations to a variety of audience types;
- Demonstrated ability to collect, analyze and interpret data;
- Demonstrated skills in providing health education within the context of a school setting;
- Excellent oral and written communication skills.
- Demonstrated desire and ability to work as a member of a team.

DESIRED QUALIFICATIONS: Experience working with school districts in promoting health education for students. Familiarity with tobacco related health education interventions and best practices.

NECESSARY SPECIAL REQUIREMENTS:

- The selected candidate must pass a thorough background investigation. (*licensure, pre-employment physical*).
- Employees are required to protect the privacy and security of protected health information as defined in State and Federal Law
